Melt Bar and Grilled is a local favorite in Ohio, but has also garnered national attention from The Food Network's "Diners, Drive-ins and Dives" and "The Best Thing I Ever Ate," USA Today, ESPN The Magazine, The Boston Globe, FOX News and The Travel Channel's "Food Paradise" and "Man v. Food."

WHY CHOOSE MELT CATERING?

Melt is no ordinary catering experience!

Melt Bar and Grilled is fun and untamed gourmet comfort food that can elevate your event. It's also lighter fare, offering vegan, vegetarian and gluten-free options.

With Melt catering your event, you can:

- **Pickup your food at any Melt location**, or have it delivered through one of our delivery partners.
- **Accommodate any size group or budget.**
- **Enjoy easy setup**, as sandwiches are cut and wrapped in halves, and Melt provides napkins, serving utensils, fork packets and a bottle of ketchup with each order.
- **Skip the cleanup**, as all of our catering items are packaged in disposable containers.

Minimum 5 sandwiches per catering order.

For every 5 sandwiches ordered, we include a catering-sized side dish (choice of french fries, kettle chips and sweet slaw).

Melt pro tip: Most people can only eat half a sandwich and one side dish in one sitting, so we suggest ordering a half sandwich per person, and a few extras, just in case you have a hungry crowd.
