bar & grilled

## RE-HEAT INSTRUCTIONS

### SANDWICHES / MACARONI & CHEESE

Pre-heat oven to 200-250F

Place closed take-out box directly on middle oven rack

For a quick re-heat – 10-15 minutes

Re-heat from cold – 20-25 minutes

Keep box closed for optimal heating and quality retention

*Re-heat times are estimates / times will vary depending on oven temperature and desired final temperature*

*Always re-heat food to an internal temperature of 165F*

*Microwave re-heating is not recommended*

*Caution when removing from oven - boxes will be HOT!*
