Melt Bar and Grilled strives to meet & exceed all guests’ dietary concerns & restrictions. The Melt staff will take every precaution possible to ensure all potential non-vegan products are eliminated from your experience. We have implemented many procedures and precautions to separate vegan and non-vegan products. However, since our kitchens contain non-vegan products we cannot guarantee a 100% vegan experience. Melt Bar and Grilled does not offer completely separate fryers. There is a possibility that non-vegan products will be prepared in our fryers.
