Hello Friends of Melt Bar and Grilled,

As we all adjust to the "new normal," I want to take this opportunity to thank everyone for the incredible support over the last 16 years. When we opened Melt Bar and Grilled in 2006, I never dreamed how local, regional, and national we would become. Today, I am proud of the fact that Melt Bar and Grilled remains a Cleveland institution and all the incredible support from our customers has allowed us to continue to serve this incredible food to all of you.

Now, as we continue to see large staffing challenges in our industry, we are forced to make some difficult changes. To ensure we continue to provide a great Melt Experience, we have adjusted and transitioned our current operations through November 1st. This temporary change will allow us to continue to provide the best food, the best service and the best overall experience at all Melt Bar and Grilled locations.

This too shall pass as we get back to an even stronger business - clearly focusing on food and drink offerings. The entire management and operations team is available to help you with your next event. Let us know how we can assist you or your company.

Thank you for your continued support and we wish you all well.
