Hello Friends of Melt Bar and Grilled,

As we all sincerely remember the “new normal,” I want to take this opportunity to thank everyone for the incredible support over the last 16 years. When creating and launching Melt Bar and Grilled in 2006, I never imagined it would grow, prosper and become so important to so many loyal guests and staff. I also never could have imagined we would weather this incredible journey, and all the incredible growth, personal and business-related issues that would follow.

Melt Bar and Grilled, like so many other independent businesses, has weathered this storm the best we could. As we all navigate through the “new normal” I want to take this time to thank everyone for the incredible support we’ve received.

As we continue to see large staffing challenges in our industry, we are forced to make another change. To ensure we continue to provide a great Melt Experience at all locations, we will slightly adjust our menu to provide a great Melt Experience for our guests. We understand this will cause some changes, and we apologize for any inconvenience this may cause.

By reducing the number of items we offer, we will be able to maintain our current staffing levels, which has allowed us to continue to provide great service with a friendly and unique atmosphere. Melt has grown from its humble storefront beginnings to multiple regional locations with more organic growth planned. Melt continues to grow and prosper because of The Melt Family—the amazing staff and management team. Welcome to Melt and Thank you!
